BUSINESS SETUPS

The UAE is advancing towards a future of significant economic growth, amplified investments, and strengthened trade relations with allied partners. The economic prosperity of the United Arab Emirates makes it the perfect place to embark on new business ventures, attracting millions of people each year to bring their companies to fruition.

Setting up a business in the UAE may appear daunting, considering the intricate legalities involved. However, before doubting your decision to venture into business in the UAE, turn to Prime Consult Business Setup, the foremost company formation expert in Dubai.

UAE MAINLAND

UAE FREE ZONE

The UAE Mainland is a highly attractive location for international business due to its position as a major trade hub in the Middle East and its reputation as one of the safest countries in the world. One of the key attractions for business owners is the favorable tax environment and the strong banking network in the region.

The Limited Liability Company (LLC) business form is widely adopted in the UAE mainland. Recent changes in government regulations have allowed for 100% ownership by foreigners in certain industries, eliminating the need for local sponsors in those sectors. This has opened up opportunities for investors to establish a limited liability company without the requirement of a local sponsor.

Mainland include:

- ♦ Dubai Mainland
- ♦ Abu Dhabi Mainland
- ♦ Ajman Mainland
- ♦ Sharjah Mainland

Prime Consult is dedicated to assisting you in establishing a free zone company in the UAE. We provide comprehensive support for setting up a company in over 80 UAE-free zones. Our proficient team comprehends the complexities and exhilaration associated with this decision. We extend our assistance to help you identify the ideal free zone that aligns with your business requirements, encompassing considerations such as location, pricing, desk options, and share capital prerequisites. Our goal is to streamline the process and help you save both time and money, ensuring a seamless journey towards success with Prime Consult Business Setup.

These are following Free Zones:-

- ♦ UAE Free Zone
- ♦ IFZA
- ♦ Raas Al Khema
- ♦ Dubai Free Zone
- ♦ Abu Dhabi Free Zone
- ♦ Ajman Free Zone
- ♦ Sharjah Free Zone

PROJECT MANAGEMENT

TAX & WEALTH MANAGEMENT

Our tax consultants and accountants in the UAE have established strong relationships with government officials, allowing us to remain well-informed about the ever-changing business laws and taxation regulations. This ensures that we can prepare your business to navigate any economic impact effectively. In Dubai, our tax consultants carefully assess your current situation to provide expert guidance on tax planning and ensure accurate financial record-keeping for your company.

At Prime Tax Consultants and Accountants, we offer a comprehensive range of services, including maintaining records of your company's financial transactions, auditing financial statements, providing support in investment banking, and keeping businesses informed about tax litigation and regulatory policies. Our team at Prime is committed to delivering exceptional service, offering numerous opportunities for clients to understand the UAE tax system and improve the financial efficiency and productivity of their companies.

VAT REGISTRATION COMPANY & INDIVIDUALS

Prime Tax Consultants and Accountants specializes in providing comprehensive assistance to businesses for the implementation of tax requirements in the UAE. Our services include facilitating the necessary documentation for VAT registration in Dubai and other Emirates. If you are uncertain about how to proceed with VAT registration in the UAE, require detailed information about the VAT registration process in Dubai, or seek clarification on associated costs, our team is well-equipped to offer expert guidance. At Prime Tax Consultants and Accountants, we function as a one-stop solution for all your Dubai VAT registration needs. We offer streamlined procedures, transparent explanations, and competitive VAT registration fees. Our services encompass comprehensive guidance for online VAT registration, financial record-keeping, bookkeeping, and VAT registration prerequisites.

DRUG

SECOND CITIZENSHIP PROGRAM

Acquiring second citizenship provides individuals with the advantages of visa-free travel, visa-on-arrival privileges, enhanced business prospects, and the ability to benefit from favourable tax systems. Additionally, it offers access to high-quality healthcare, education, and other advantages typically enjoyed by native citizens.

TOURISM

The UAE has established itself as a prime location for hosting conferences, regional and international exhibitions, and major global sports events, including the Dubai World Cup for horseracing, the Abu Dhabi Formula One Grand Prix, the Dubai Desert Classic Golf Tournament, the FIFA Club World Cup, renowned film festivals in Dubai and Abu Dhabi, and the Global Entrepreneurship Summit.

In 2016, the direct contribution of the travel and tourism sector to the UAE's GDP amounted to AED 68.5 billion (USD 18.7 billion), equivalent to 5.2% of the total GDP. Projections suggest it will increase by 5.1% annually from 2017 to 2027, reaching AED 116.1 billion (USD 31.6 billion), accounting for 5.4% of the total GDP in 2027.

The total contribution of the travel and tourism sector to the UAE's GDP was AED 159.1 billion (USD 43.3 billion), representing 12.1% of its GDP. Projections indicate it will rise by 4.9% annually, reaching AED 264.5 billion (USD 72 billion) by 2027, constituting 12.4% of the GDP.

UAE GOLDEN VISA

The Golden Visa program in the UAE is an excellent opportunity for expats seeking long-term residency. With the Dubai Golden Visa, expatriates can enjoy up to 10 years of residency in the Emirate, granting them the freedom to live, work, study, or establish their own business without the need for a local Emirati sponsor. Additionally, visa holders can benefit from 100% ownership of their business and obtain a multi-entry permit to the UAE. Prime Consult offers reliable and professional services to help you make the most of your time in the UAE.

PRO & VISA SERVICES

Prime Consulting was founded with the goal of providing streamlined PRO services in the UAE to facilitate the establishment of businesses in the region. The process of setting up a business in the UAE is favorable for investors, but it necessitates meticulous documentation and authorizations. Our role as your PRO representative is to facilitate this process. We offer comprehensive assistance in company establishment, permitting, and other public relations tasks in both Mainland and Free Zones. Understanding the unique requirements and characteristics of each business, we ensure that our PRO services in the UAE fully comply with all legal regulations. Our team of experts is equipped to guide you through the formalities involved in starting a business, including navigating currency fluctuations and providing document translations into Arabic. By engaging our services, you can potentially realize cost savings of up to 70% on administrative and PRO service expenses.
